-----------------	--------------	------

Preferred Geographic Region of Professional Practice

BC Lower Mainland	BC Southern Interior	BC Northern Interior
Vancouver Island	Outside of BC	

The selection of External Auditor candidates for training and potential accreditation will be based on the current needs of TSCBC and may not be dependent solely on the candidate meeting the minimal evaluation score. The ability to provide external auditing services to employers in various regions of the province may be a determining factor in the selection of candidates for training.
